## TAKING CARE OF YOUR BUSINESS

**D** THAT THE CREDIT UNION IS MEMBER OWNED? It is important that you understand this fact. When you take your dollars away from the Credit Union or don't use

your loans or for other services, then YOUR CREDIT THAT YOU OWN has fewer dollars to serve fewer people. Let the CU be a resource for your life and others to meet the personal and family needs. The more funds

the more loans it is able to disburse, the more dividends it can pay and the more services it can offer. So TOGETHER, LETS TAKE CARE OF YOUR BUSINESS.
